IATSE CANADA HEALTH PLAN

# Origin

In 2011, IATSE locals across Canada came together with a bold vision: to unite their collective strength and create a health benefits solution that would serve members more effectively and affordably. That vision became a reality with the formation of the IATSE Canada Health Plan (ICHP) – a collaborative buying group designed to deliver high-quality, flexible benefits by leveraging the power of scale.

# Fifteen years of growth and impact
